

Family Connection Meetings

In an effort to continue to build strong connections with our families, we are going to start next year with Family Connection Meetings in August. Every family will be invited in to meet with their child's teacher in the first few weeks of school. The purpose of this meeting is for families to share about their child and for teachers to listen and learn more about their new students and families. Some sample questions the teachers will ask include:

- What do you want us to know about your child?
- What are your child's assets/strengths, both in and out of school?
- What is important for us to know about your family?
- Tell us your hopes for your child for this year and beyond.

Please note, these connection meetings will take the place of the traditional Back to School Night. Teachers will share information traditionally shared at BTSN during our Open House right before school starts. In August, please look for communication from your child's new teacher to set up a time for your family connection meeting. We look forward to starting off the year building strong relationships.
