Dear Parents of the Class of 2031,

Before you prepare for the year 2031 and your child's graduation from high school, we must begin with your child's introduction to kindergarten. Welcome to Independence!

We invite you to our parent and kindergarten student orientation meeting on Wednesday, May 2nd from 1:30-2:30 p.m. During the orientation, children will have the opportunity to meet the kindergarten teachers and to participate in projects in the classroom while parents gather for an informational meeting in the gym.

The kindergarten program at Independence Elementary is a full-day program. Students will have a lunch break and a mid-day recess. Children may bring lunch from home or purchase lunch from the cafeteria.

For all pertinent information, you can check our website at:
<http://independence.cherrycreekschools.org/Pages/default.aspx>

All students at Independence are also eligible to participate in our before and after school day care for an additional charge. You will have the opportunity to register for our day care program as well as our summer day care program at orientation, or by calling our school.

Please ensure that your child is current on all immunizations. Plan to have a copy of your updated immunization records to present at orientation or when school begins.

It seems as though there is so much to do and know before beginning kindergarten! Please know how committed we are to help you and your child begin this positive school experience. At Independence, we believe that together we can make a difference, and we look forward to meeting you and your child at the May 2nd orientation.

Sincerely,

Mrs. Lisa Morris
